|---|---|
| | stated it is the expectation that all hired healthcare employees completed abuse training during new employee orientation and annually.<br><br>During a review of the facility's policy and procedure (P&P) titled, "Assault-Abuse Reporting Policy," dated 4/12/26 the P&P indicated, State law requires health practitioners to provide oral and written reports to local authorities when instances of abuse, neglect and assault to children, elders, and dependent adults is suspected. The law also requires employers of health practitioners to obtain a signed statement attesting to the employees' understanding of their assault/abuse reporting obligations. The Surgery Center will comply with such laws. |
