(c) The [facility] must develop and maintain an emergency preparedness communication plan that complies with Federal, State and local laws and must be reviewed and updated at least every 2 years [annually for LTC facilities]. This STANDARD is not met as evidenced by: Based on document review and interview, the facility failed to maintain the Emergency Preparedness Plan (EPP). This was evidenced by the failure to maintain and update the Communication Plan. This could result in a delay in protecting the health and safety of 16 of 16 patients. Findings: During document review and interview with staff on 9/8/26, the EPP was reviewed.

	At 11:04 a.m., there were no documents provided to indicate that the EPP's Communication Plan had been updated and reviewed at least every two years. The date of the last Communication Plan review date was 4/15/20. During a concurrent interview, Staff 1 stated that the Communication Plan had been updated annually but the most recent review had not been documented.
