(ii) Other sources of assistance. (iii) The State Licensing and Certification Agency. (iv) The State Protection and Advocacy Agency. This STANDARD is not met as evidenced by: Based on review of the facility Emergency Plan (EP) record review, and staff interview, it was determined the facility failed to develop a emergency officials contact list. Failure to have an emergency official's contact list during an emergency could lead to harm to both patients and staff if staff do not know who to contact if the need arises. Findings include: The surveyor and the Office Coordinator reviewed the facility's Emergency Plan. The

	Emergency Plan did not identify an emergency official's contact list. The Office Coordinator confirmed on August 27, 2018, the EP plan did not identify an emergency official's contact list.
