[(b) Policies and procedures. The [facilities] must develop and implement emergency preparedness policies and procedures, based on the emergency plan set forth in paragraph (a) of this section, risk assessment at paragraph (a)(1) of this section, and the communication plan at paragraph (c) of this section. The policies and procedures must be reviewed and updated at least every 2 years [annually for LTC facilities]. At a minimum, the policies and procedures must address the following:] (6) [or (4), (5), or (7) as noted above] The use of volunteers in an emergency or other emergency staffing strategies, including the process and role for integration of State and Federally designated health care professionals to address surge needs during an emergency. *[For RNHCIs at 403.748(b):] Policies and procedures. (6) The use of volunteers in an emergency and other emergency staffing strategies to address surge needs during an emergency. *[For Hospice at 418.113(b):] Policies and procedures. (4) The use of hospice employees in an emergency and other emergency staffing strategies, including the process and role for integration of State and Federally designated health care professionals to address surge needs during an emergency. This STANDARD is not met as evidenced by: Based on Rural Health Clinic's (RHC's) policy review and interview, the RHC failed to maintain and update every two years policies and procedures for the use of volunteers and other staffing strategies in case of an emergency or disaster. The findings included: Review of the RHC's policy, "[named RHC] Policy and Procedures," revised 8/28/2022, revealed that the RHC did not have documentation of updates available for review. During an interview on 3/17/2026 at 11:00 AM, the Office Manager (OM) stated the RHC did not have documentation of updates
