2024 Tier Status for all OPOs¹

Tier 1
 Tier 2
 Tier 3

*Based on 2022 performance data

Tier	Tier Definitions
Tier 1	The Tier 1 target rate is based on the previous year's rate that 25% of OPOs were at or above. OPOs that are at or above the Tier 1 target rate are placed into Tier 1.
Tier 2	The Tier 2 target rate is based on the previous year's median performance rate. OPOs that meet or exceed the Tier 2 target rate and are below the Tier 1 target rate are placed into Tier 2.
Tier 3	OPOs that are below the Tier 2 target rate are placed into Tier 3.

¹ Based on 2022 performance data.
